CONCORD TRAINING HIGH SCHOOL

Foreword

We the seniors of the class of 1953 of Concord Training School close the doors on four happy eventful years-four years in which we have established high ideals, lasting friendships, and pleasant dreams for the future.

We have endeavored to bring you an annual we are proud to present, and which we hope you will be proud to own.

If in the future years this annual makes 1953 live again for you, then we the seniors, feel we have accomplished our task.

Dedication

With love and appreciation, we the Senior of Concord Training School proudly dedicate this annual and its beloved memories to Billie Rice, our school secretary, who has cheerfully helped everyone who needed encouragement or assistance, whose strong personality has won the hearts and admiration of us all.
